Malnad College of Engineering	Hassan, Karnataka
B.E in Information Science and Engineering **[CGPA: 8.46]**	2021 - Present
Mangaluru PU College	Channarayapatana,karnataka
Intermediate **[Percentage:97.66%]**	2020 - 2021

Projects

Online Notice Board System:

- The project aims to create an efficient and user-friendly online notice board system designed to streamline real time posting,management and acess to notices,announcements and updates.
- The system facilitates seamless communication within an organization by centralizing announcements, ensuring that all users can quickly receive notifications.
- Provides an intuitive interface for users to post, view, and manage notices efficiently. The interface includes features for easy navigation and real time notifications to keep users informed.
- Skills Developed - HTML, CSS, JavaScript, PHP

Spam Email Detection:

- Tech Stack: Python, Machine Learning (Naive Bayes), Scikit-Learn
- Developed a spam email detection system using artificial intelligence and Python. Leveraging machine Learning techniques like Naive Bayes, the model accurately classifies emails as spam or non-spam, enhancing Email security.

Inventory Management System:

- Built an inventory management system using Java and MySQL, with CRUD operations connected via JDBC.
- Designed a user-friendly interface for efficient tracking and management, improving data integrity and operational efficiency.
- Skills Developed: Java, MySQL, JDBC

Certifications

1) NPTEL - Soft Skills Course

2) Cognitive Classes - Sql and Relational Database 101

3) Great learning - Python

Internships & Certifications

Web Development Internship	**Jv Global Services pvt. Ltd. — Bangalore**

- Designed and developed user-friendly web applications.
- Focused on both front- end and back-end technologies.
- Developed web applications using HTML, CSS and JavaScript.
- Researched new technologies to improve existing web solutions

Technical Skills

Languages:	Java,Python
Productive Tools:	Power Point
Web Technologies:	HTML, CSS, JavaScript
Database Management:	MySQL
Strengths :	Problem Solving, Consistency, leadership, Adaptability & Willingness to Learn
